

5th Annual

Basketball Fundamental Program

Let's get back to basics!

Kids are invited to our strictly skill-building practice sessions with Alamosa Parks & Rec staff. There are no teams or games in this program; just practice sessions focused on the fundamentals of basketball:

dribbling, passing, pivots, lay-ups, jump stops, and shooting form, etc...

All abilities welcome. Helping our kids with the basics today will give them the skills and confidence to succeed in the future. 12 practice sessions are included for the low price of **\$45**. Signup today; spots are limited to ensure effective coach to player ratios.

Registration: March 1 - June 3

Dates: June 4- July 23
