

# Friday, March 15th

## FAMILY FUN SKATE NIGHT

**An Evening of Fun for the Entire Family!**

**These partners are providing healthy opportunities for families, which help shield youth from risky behaviors:**

Wal-Mart, Alamosa Parks and Recreation, Ef's Restaurant, Hobby Town, Alamosa School District, Efrem Ortiz, Boys and Girls Club, SLV Health, SLV Behavioral Health, Schulz Realty, UPSTREAM! Together, and the Alamosa County Prevention Coalition

**Alamosa Cares**

The **Alamosa County Prevention Coalition** uses the Communities That Care process to initiate positive changes in the Alamosa area. The Coalition identified that supporting family-friendly activities, such as this, builds protective factors with our youth and decreases the risk of young people participating in problem behaviors such as substance abuse, delinquency, dropping out of school and violence.

Interested in helping with the health and wellbeing of the youth in our community?
